

# SIS Project Upgrade

## Campus Community

### Page Navigation

Page navigation has changed in the ISIS Application. This document provides you with the new location of all your key Campus Community pages.

Campus Community	
Page	New Path
Institutional Affiliation	Campus Community > Personal Information > Identification Data > Institutional Affiliation
Person Comment Entry	Campus Community > Comments > Comments - Person > Person Comment Entry
Communication Management	Campus Community > Communications > Person > Communications > Communication Management
Checklist Management - Person	Campus Community > Checklists > Person > Checklists > Checklist Management - Person
Manage Service Indicators	Campus Community > Service Indicators > Person > Manage Service Indicators
Meetings	Campus Community > Event Planning > Event Management > Meetings
Event Attendance	Campus Community > Event Planning > Event Management > Event Attendance
Student Services Center	Campus Community > Student Services Center

#### Watch the "Using the Navigation Pagelets" Tutorial Now!

The SA Project has created tutorials for all Campus Solutions 9.0 Fundamentals features. Check out the tutorials at the SA Campus Website, including "Using the Navigation Pagelets": [ISIS.UML.EDU](http://ISIS.UML.EDU)
