

Lisa Marchand

13. M.A. Security Studies– Industrial and Economic Security Concentration (James Forest) – Change List of Approved Electives
<https://uml.curriculog.com/proposal:1897/forApproval>.

14. Ph.D. Physics– Applied Mechanics Option (Viktor Podolsky)

10. NUTR.5810 MNT for Chronic Disease (Renee Baile) – New Course
<https://uml.curriculog.com/proposal:1914/form> Medical Nutrition Therapy
11. NUTR.5820 MNT for Complex Disease (Renee Baile) – New Course
<https://uml.curriculog.com/proposal:1916/form>
12. NUTR.6050 Food and Nutrition Management (Renee Baile) – Change Course
<https://uml.curriculog.com/proposal:1913/form>
13. NUTR.6660 Community Nutrition Supervised Practice (Renee Barrile) – Change Course
<https://uml.curriculog.com/proposal:1912/form>
14. NUTR.6670 Food and Nutrition Management Supervised Practice (Renee Barrile) – Change Course
<https://uml.curriculog.com/proposal:1911/form>
15. NUTR.6680 Clinical Nutrition Supervised Practice (Renee Barrile) – Change Course
<https://uml.curriculog.com/proposal:1910/form>
16. PSYC.6400 Theories of Change in Applied Psychology (Ivy Ho) – Change Course
<https://uml.curriculog.com/proposal:1678/form> Request is for a name change but it seems like a brand new course, rather than a change to Megan Papes. Why changing content and not name? MP: Changing to match the way it is actually being taught. Mai: Recommend new course number. Changed from 6400 to 6401.
17. PSYC.7060 Multilevel Modeling (Ivy Ho) – New Course
<https://uml.curriculog.com/proposal:1822/form> Another course with same name. Megan Papes. Our students haven't been able to take it in Criminology and they need it to graduate.
18. PUBH.6660 MPH Practicum (Leland Ackerson) – Change Course
<https://uml.curriculog.com/proposal:1824/form>
19. PUBH.6670 Integrated Practical Learning (Leland Ackerson) – Change Course
<https://uml.curriculog.com/proposal:1825/form>
20. PUBH.6820 Applied Epidemiology Methods (Leland Ackerson) – Change Course
<https://uml.curriculog.com/proposal:1826/form>
21. PUBH.6870 Quantitative Models for Public Health (Leland Ackerson) – Change Course
<https://uml.curriculog.com/proposal:1828/form>
22. PUBH.6890 Advanced Regression Modeling

Meeting adjourned at 5:03pm.

Next GPAC Meeting: Monday
