

Overview of the Healthy Workplace Participatory Program

Discuss next steps

- a. How can we (organization, management) move this program forward?
- b. What will it take to reap the benefits of the program?
- c. Who should be involved?
- d. What are the necessary resources?

After a management meeting

Send a note to thank the leaders for their input, provide any follow up information requested, and remind the group about next steps.

Schedule follow up meetings or other action steps as appropriate.
